

How to use the KTG Review AI tool

1. Go to <http://upls.io/>

On the left side, upload the Deed and Title

The screenshot displays the KTG Review AI interface. At the top left is the logo, a blue square with a white document icon, followed by the text "KTG Review AI" and "Compliance Automation" below it. The main content area is divided into two sections: "1. Deed Package" and "2. Title Commitment". Each section contains a dashed rectangular box with a cloud upload icon and text: "Click to upload Deed PDF" with "Select pages 4-13" below it, and "Click to upload Title PDF" with "Select pages 26-30" below it. Two red arrows point from the right edge of the page to the right side of these dashed boxes. At the bottom, there is a search bar with a magnifying glass icon and a blue dot, followed by the text "12 pages found". To the right of the search bar are two buttons: "Select All" and "Confirm Selection ✓". A red arrow points from the right edge of the page to the "Select All" button.
